VAULT BOX

MORE THAN JUST A TOOL BOX

Scan this QR Code
for more information
on quality products
from Drillfast.

Weather resistant against the elements and power coated for longer durability.

4 x double GPO'S power with a fully approved switch and RCD protection.

2 x USB ports for charging your phone or tablet.

Can be left on site locked away safe, saving time on pack-up and set-up on return.

Easy to move around and everything you need close-by.

Drillfast is always innovative, and the Vault Box is no exception. There's no longer a need to waste time locking batteries and tools in the site office because you'll have the Vault Box. With its extremely durable casting and its internal power supply, the Vault Box is the tradies must have on any site!
