NO MORE MESSY PIPES

The adaptable mobile on-site pipe and conduit storage solution. The PipeRack is an innovatively designed wheeled storage rack to manoeuvre while you're working on site. Each unit has been fully tested and certified to guarantee you a top quality product that is durable and built to last, while the fully collapsible design means that it can be easily transported and stored when not in use. PipeRack is available with either a 1 tonne or 2 tonne storage capacity, not to be moved whilst fully loaded.

All steel heavy-duty construction

Stackable up to 6 units high

Unique fully folding design

Fitted with ultra-robust industrial swivel castors
