CUT TO THE CHASE

The CuttingStation is a neat, mobile workstation that eliminates the need for a separate cutting room and is essential for safely cutting lengths, such as conduit, timber, cable tray and pipe. The new model is now even better! Improvements include new lighting and chamfered corners to further reduce noise. You'll also find a new expandable working area to accommodate mitre saws and cutaway sides for handling longer lengths.

PVC curtains to contain sparks

Rubber mat to reduce vibration

Extendable support arms with 4 configurations

Rubberised wheels for reduced vibration

Swarf collector with dust extractor connection

Recessed 240V inlet power supply, and 2 X 240V internal sockets

Secure cabinet to keep your tools safe

Heavy-duty all-swivel wheels for easy moving

Code	Weight	External Dimensions W x D x H (mm)		Internal Dimensions W x D x H (mm)
