ACCESS AT YOUR FINGERTIPS

Revolutionise the way your team delivers projects with this compact on-site digital station complete with a 43-inch screen, three power outlets and LED lighting. Quickly access all the information at your fingertips, power your laptop and view your up-to-date plans, procedures, and documents digitally. The DataStation is a simple addition that shows real commitment towards the industry, allowing you to work sustainably and efficiently away from the office. Easily manoeuvrable with heavy-duty castors, so you can take it wherever you need it. Armed with effective security: keyed-alike 5-lever deadlocks for secure storage of valuable office equipment or power tools.

Lifting eyes for crane loading

43" digital screen

Full-width shelves in both lower and upper compartments

Pockets on doors for files or print outs

240V power supply to charge electrical equipment
